Military Opt-Out Form

Federal law requires SER YouthBuild Learning Academy to provide names, addresses, and telephone numbers of high school students to military recruiters and institutions of higher education that request this information. While we are committed to protecting the confidentiality of our students, we must comply with the law.

Unless you notify us in writing that you do not consent to the release of your child's information, we must disclose your child's name, address, and telephone number to military recruiters and institutions of higher education that request this information about our students.

If you do not want your child's name and contact information disclosed to military recruiters and/or institutions of higher education, you must fill out this form and return it. Please note you may withhold your child's information from military recruiters, institutions of higher education, or both. If you do not return the form, we are required to release your child's contact information to military recruiters and/or institutions of higher education.

Please be aware that you can change your options at any time. If you do not submit the form now, you may still opt out at any time during your child's school career and decide not to release his/her information. Please advise the principal in writing if you change your decision at a later date.

Please complete and return only if you DO NOT consent to the release of your child's information, name, address, and telephone number, to military recruiters and/or institutions of higher education that request this information.
